This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, <u>www.ProvidenceHealth</u>

For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, <u>provider</u>, or other <u>underlined</u> terms see the Glossary. Important Questions	Answers	Why This Matters:
What is the overall deductible?	In-Network: \$1,500/per person \$3,000/per family (2 or more). Out-of- Network: \$3,000/per person \$6,000/per family (2 or more).	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your deductible?	Yes. Office visits, most <u>preventive care</u> , emergency and urgent care services.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventiveservices</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventiveservices</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services.
What is the <u>out-of-</u> <u>pocket limit</u> for this <u>plan</u> ?	In-Network: \$7,350/per person \$14,700/per family (2 or more). Out-of- Network: \$14,700/per person \$29,400/per family (2 or more).	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the out-of-pocket limit?	Premiums, penalties, <u>copays</u> or <u>coinsurance</u> for Supplemental Benefits, services not covered, fees above <u>Usual</u> , <u>Customary and Reasonable (UCR)</u> .	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a network provider?	Yes. See <u>ProvidenceHealthPlan.com/findaprovide</u> <u>r</u> or call 1-800-878-4445 for a list of network providers.	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .
